

Regarding the 30/30 Pledge Campaign:

In an effort to establish a steady financial support basis for Montgomery County Cares, the 30/30 Pledge Campaign has been initiated. \$30 per month may seem like a lot, but it is no more than an individual would spend in a month for coffee or soft drinks. It is our hope that we could eventually have commitments from thirty individuals, organizations, businesses, or churches; hence the name for the campaign, \$30 given by 30 participants. This would provide MCC with \$900.00 per month to meet the needs of families in Montgomery County, or \$10,800.00 annually.

Below, you will find a pledge card form. Prayerfully consider if this is something you feel God is leading you to do to make a difference in the lives of people within our county; then cut off the form, fill it out, and mail the top portion to the address posted.

Thank you for your consideration and support.
